Notice of a Change in Status of the Extended Benefit (EB) Program for New York

AGENCY: Employment and Training Administration, Labor.

ACTION: Notice.

This notice announces a change in benefit period eligibility under the EB program that has occurred since the publication of the last notice regarding the States' EB status:

- New York State's law conditioned the applicability of Total Unemployment Rate (TUR) trigger on full Federal funding of EB benefits. The full Federal funding of the EB benefits is scheduled to expire September 6, 2021, resulting in the termination of the TUR trigger for New York and an "off" indicator effective August 15, 2021. Therefore, this will end any payable period associated with the TUR for New York on September 5, 2021.

The trigger notice covering state eligibility for the EB program can be found at:

Information for Claimants

The duration of benefits payable in the EB program, and the terms and conditions on which they are payable, are governed by the Federal-State Extended Unemployment Compensation Act of 1970, as amended, and the operating instructions issued to the states by the U.S. Department of Labor. In the case of a state beginning an EB period, the State Workforce Agency will furnish a written notice of potential entitlement to each individual who has exhausted all rights to regular benefits and is potentially eligible for EB (20 CFR 615.13 (c) (1)).

Persons who believe they may be entitled to EB, or who wish to inquire about their rights under the program, should contact their State Workforce Agency.
